Please read this section carefully and call Fiona Paul with any questions.

The decision whether to offer a placement rests with the placement provider (and not Matrix) and as part of their decision on whether to offer a placement opportunity, placement providers will undertake a DBS check on the student. Applicants are strongly encouraged to contact Fiona Paul (01953 797160) before submitting an application to discuss informally the potential implications any conditions, treatment for addiction, criminal convictions or other circumstances that may have on their ability to undertake the training or work clinically with clients.
