MATRIX COLLEGE OF COUNSELLING AND PSYCHOTHERAPY LTD

STRATEGIC REPORT

YEAR ENDED 31 AUGUST 2025

PRINCIPLE ACTIVITY AND BUSINESS REVIEW

The principle activity of the company is the provision of educational services. Our continuing objective is to be a centre of excellence for counselling education in the region.

Students continue to enjoy an increased success rate in achieving BSc (Hons) award. Our outreach programme of clinical placements also continues to grow, and due to our sterling reputation, we have extended into new territories such as Nottinghamshire and Essex. Our emphasis on delivering a high-quality course is consistent and we constantly review course content to ensure we are always ready for the changes that drive the profession's disciplines.

We have augmented our teaching space and have two additional small rooms (in one of our existing buildings) to add additional space for students to practice their counselling skills. Our light and spacious facilities provide dedicated spaces for administration, independent student study, a library and counselling and training rooms. We also provide a sociable café space and break-out areas. This structure allows us to consolidate our offer to students and effectively manage the anticipated planned increase in student numbers.

Our Middlesex University review and recent TEF award further consolidates our reputation as a centre of excellence.

Our Board of Governors meet regularly and ensure a high level of scrutiny and accountability. The Operational Team are highly responsive to the demands of students, placements, the UKCP, Middlesex University and the Office for Students. In addition, we continue to build an excellent working relationship with our professional advisors to ensure transparency in our financial management, ensuring Matrix's sustainability.

We were successful in renewing Cyber Essentials in 2025. We are confident that our cyber security measures are fit for purpose.

FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Directors are confident that the company has sufficient financing facilities to meet its working capital requirements. The company's sales and purchases are made in sterling, so there is no exposure to currency risk. The Directors are satisfied that credit risk is adequately managed through day-to-day monitoring by the Principal and that, as a result, bad debt experience is minimised.

PRINCIPLE RISKS AND UNCERTAINTIES

Overview

The management and nature of the business are subject to several risks. The Directors have set out below the principle risks facing the business. The Directors believe that a thorough risk management process is adopted, which involves the formal review of all the risks identified below. Procedures are in place to regularly monitor and mitigate risk.

The Board of Governors advises on risk management and evaluative strategy. These are regularly reassessed. The current risks identified, together with mitigating actions are:

Loss of key personnel

The Board of Governors and the principal are cognisant of the risks of losing key personnel with a strategy in place to ensure we have enough members of staff in key areas.

Financial viability and sustainability

We aim to maintain the current financial management and focus on maintaining reserves to a minimum of 10% of turnover.

Failure to meet regulatory and/or PSRB requirements

We maintain a continuous review of staffing and recruitment requirements. We have recently recruited a member of staff who has responsibility for quality and regulatory management.

Managing increasing demand for student places

We maintain a continuous review of staffing and recruitment thereof. We would only increase capacity gradually as we are committed to delivering high-quality training. We believe that the ratio of student to tutor must remain at a level in which all students can be involved with discursive activities.

Risk assessment is a continual process at Matrix.

KEY PERFORMANCE INDICATORS

The directors consider both financial and non-financial key performance indicators when measuring the success of the business.

The financial key performance indicators are considered to be turnover, profit before tax and net assets at the year end.

The main non-financial key performance indicator is considered to be student numbers.

The directors are satisfied with the year-end position and company performance.

FUTURE DEVELOPMENTS AND OUTLOOK

In considering future developments Matrix is actively exploring increasing its range of study options together with expanding further on its geographical reach.

Matrix is aware of external pressures that may affect overall progress however we are confident in our future outlook. We believe we are taking a balanced approach ensure secure continued growth.

INTERNAL CONTROLS

The Directors are responsible for ensuring that:

- Proper accounting records are kept in accordance with OfS and Middlesex University regulatory requirements.
- Business, operational and compliance risks are identified and managed by maintaining and operating a system of internal control, including risk evaluation and decision making based on mitigating risk

The Board of Governors receives a report at each meeting on internal control and risk. As a result, a sound system of internal control is maintained, which is reviewed and evaluated.

Internal Control

The system of internal control has been developed and is co-ordinated by the Principal. It aims to provide as much assurance as is reasonably possible (not absolute assurance) that assets are safeguarded, transactions are properly authorised and recorded, and that material errors or irregularities are either prevented or can be detected promptly.

The review of the effectiveness of the systems of internal control is informed by:

- Regular scrutiny of financial and other performance monitoring data
- Publication of an Annual Auditor's Report.

MATRIX COLLEGE OF COUNSELLING AND PSYCHOTHERAPY LTD

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MATRIX COLLEGE OF COUNSELLING AND PSYCHOTHERAPY LTD

YEAR ENDED 31 AUGUST 2025

OPINION

We have audited the financial statements of Matrix College of Counselling and Psychotherapy Ltd (the 'company') for the year ended 31 August 2025 which comprise the statement of income and retained earnings, statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

MATRIX COLLEGE OF COUNSELLING AND PSYCHOTHERAPY LTD

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MATRIX COLLEGE OF COUNSELLING AND PSYCHOTHERAPY LTD (continued)

YEAR ENDED 31 AUGUST 2025

RESPONSIBILITIES OF DIRECTORS

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance;
- Enquiry of entity staff to identify any instances of non-compliance with laws and regulations;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business, reviewing bank statements for transactions outside the normal course of business and reviewing accounting estimates for bias.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.

MATRIX COLLEGE OF COUNSELLING AND PSYCHOTHERAPY LTD

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MATRIX COLLEGE OF COUNSELLING AND PSYCHOTHERAPY LTD (continued)

YEAR ENDED 31 AUGUST 2025

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

USE OF OUR REPORT

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis. The financial statements are prepared in sterling, which is the functional currency of the entity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Revenue recognition

The turnover shown in the profit and loss account represents amounts receivable during the year.

In respect of long-term contracts and contracts for ongoing services, turnover represents the value of work done during the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

Income tax

3. ACCOUNTING POLICIES (continued)

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold improvements	-	20% straight line
Books	-	25% reducing balance
Website	-	20% straight line
Equipment	-	30% reducing balance and 33.3% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.
